ANNUAL MEETING 2024

MAY 16 | QUALITY HOTEL VIEW | MALMÖ

The week after the Eurovision final at the neighboring Malmö Arena and the residents of Malmö have caught their breath, we meet for the next big event - the Annual Meeting 2024 at Quality Hotel View. Hyllie is the new exciting district that connects the southern city with the countryside. For those who took part in the first Öresund bridge race, it can be stated that it is walking/running distance to Copenhagen airport – the first stop with the Öresund train. For those interested in shopping, the Emporia shopping center is on the other side of the street.

In this environmentally smart city district, we find our conference hotel - Quality Hotel View. Where are we going? A warm welcome to the hub in the Öresund region - Malmö.
