

Save the date!

Autumn meeting: November 15, 2018

All roads lead to Scandic Continental!

It is the place where you meet. The meeting is at the heart of Stockholm's most central business hotel. Here, the communications converge and bring the city closer to the world. Fly in directly to the meeting without taking your jacket on – you have access to the hotel from the Central Station! Shopping areas, culture, entertainment and restaurants are all within walking distance. Popular attractions such as the Old Town, the Opera, the City Hall and Stockholm Castle are all nearby.

At floor eight you will find the rooftop bar with spectacular views of Riddarfjärden from the bar and the terrace.

Do not skip your workout. Of course, the beds are comfortable, but a workout also energizes you - open 24 hours a day. You will find it on the floor below the lobby, where there also is a sauna.

Scandic Continental
