Autumn Meeting 2016

10 November

This time we will be returning to Malmö and Scandic Triangeln. At 69 metres high, the hotel takes its place in the list of Malmö's ten tallest buildings, its illuminated glass lifts ensuring that it is clearly visible from street level. During the course of its history, the hotel has flown the flags of both Sheraton and Hilton but is now Scandic's flagship regional conference facility.

Scandic Triangeln was also the obvious choice of the Swedish football team prior to their most recent international. Just in time for spring, the conference and restaurant facilities have been renovated to further improve quality. The hotel's gym and sauna are both located at the top of the hotel on the twentieth floor. The breakfast has been voted Sweden's best by Scandic's guests.

The hotel's location next to the City Tunnel provides an excellent connection to the Öresundståg train service for Copenhagen and Kastrup Airport as well as national SJ services. The airport bus to and from Malmö Sturup Airport stops right outside. There is municipal parking available beneath the hotel with a maximum daily fee of SEK 200. A lift takes you directly from the parking level to the lobby.

All of our activities will be taking place on the third floor; the conference, suppliers' exhibition, lunch and dinner. The conference and exhibition will take place in the 380 m² Ballroom. This provides excellent opportunities for exhibition space, with set-up access available on the previous evening or morning of the event.

For those with an interest in golf, a package will be available for Bokskogens Golf Club on Friday

A warm welcome to Malmö this November!

Hope to see you there,
Jan and Daniel
